ROLLS-ROYCE RECEIVES LETTER OF ACCEPTANCE FROM MALAYSIAN MINISTRY OF DEFENCE

Eion Bailey, Senior Vice-President of Customer Business for Rolls-Royce, is pictured receiving a Letter of Acceptance (LOA) from Malaysian Deputy Prime Minister and Defence Minister Y.A.B. Dato' Sri Mohd Najib Bin Tun Haji Abdul Razak at a ceremony at the Langkawi International Maritime and Aerospace (LIMA) exhibition earlier today.

The LOA, valued at RM366 million, covers the provision of spares and support for the Royal Malaysian Air Force's fleet of Rolls-Royce Adour, Viper and Spey engines for the next three years.

Commenting on the award of the LOA, Eion Bailey said:

"We are delighted to receive this LOA which represents a significant milestone in our long-standing relationship with the Royal Malaysian Air Force and another success for our through-life support operations"

NOTES TO EDITORS

1. Rolls-Royce, the world-leading provider of power systems and services for use on land, at sea and in the air, operates in four global markets - civil aerospace, defence aerospace, marine and energy. It is investing in technology and capability that can be exploited in each of these sectors to create a competitive range of products.
2. Rolls-Royce has had a significant presence in Malaysia for many years, since Rolls-Royce aero engines first powered the Comet and F27 aircraft in the 1960s. Today, the engineering company's extensive product range is active in Malaysia across all four of its business sectors: civil aerospace, defence aerospace, marine and energy, with Rolls-Royce products available on more than 220 platforms.
3. The company established offices in-country more than 20 years ago and now has five offices in Malaysia, providing customer and aftermarket throughout the country.
