1.2 General interpretation

In this Plan, the singular includes the plural and the plural includes the singular. References to any enactment or statutory requirement will be understood as references to that enactment or requirement as amended or re-enacted and they include any subordinate legislation made under it.

1.3 Interpretation consistent with Schedule 3

Words and expressions used in the Plan will have the meanings given in the SAYE Code unless the context requires otherwise. The Plan will be interpreted consistently with Schedule 3.

2. Purpose

The Plan is intended to operate as a Schedule 3 SAYE Option Scheme. The Company has established the Plan to provide benefits to Eligible Employees in the form of Options, and these benefits will only be provided in accordance with Schedule 3.

3. Eligible Employees

3.1 Eligibility

A person is an Eligible Employee if that person:

3.1.1 is either:

- (i) an employee of a Participating Company; or
- (ii) a director of a Participating Company who is required to work for one or more Participating Companies for more than 25 hours a week in aggregate (excluding meal breaks); and

3.1.2 has earnings in respect of the office or employment under rule 3.1.1 that are general earnings to which section 15 of ITEPA (*Earnings for year when employee UK resident*) applies (or the earnings would be subject to that section, if the person had any); and

3.1.3 satisfies any Qualifying Period.

The Committee may also permit any other person who satisfies rule 3.1.1(i) to participate in the Plan as an Eligible Employee.

3.2 Qualifying Period

The Committee may decide to impose a Qualifying Period. The Qualifying Period will be the period the Committee decides from time to time but must not exceed 5 years prior to the Grant Date or such other maximum period under Schedule 3.

4. Issuing invitations

4.1 Operation

The Committee has discretion to decide whether the Plan will be operated. When the Plan is operated, the Committee must invite all Eligible Employees to apply for an Option.

4.2 Similar terms

Where invitations are issued under the Plan, all Eligible Employees must be invited to participate on similar terms.

4.3 Timing of invitation

Invitations under the Plan may only be issued within 42 days starting on any of the following:

4.3.1 the day on which the Company's shareholders approve the Plan;

- 4.3.2 the Business Day following the day on which the Company's results are announced for any period;
- 4.3.3 any day on which changes to the legislation or regulations affecting the Plan are announced or take effect;
- 4.3.4 any day on which the Committee resolves that exceptional circumstances exist which justify the issue of invitations; and
- 4.3.5 the day Dealing Restrictions, which prevented the issuing of invitations during the periods specified above, are lifted.

No invitations may be issued after the termination of the Plan.

4.4 Form of invitation

An invitation under the Plan will be in a form approved by the Committee. The invitation must specify:

- 4.4.1 the Option Price, or how the Option Price is to be calculated;
- 4.4.2 the form and method of an application for an Option;
- 4.4.3 the deadline for a valid application for an Option to be received by or on behalf of the Company;
- 4.4.4 the length of the Savings Contract;
- 4.4.5 the minimum permitted Contribution;
- 4.4.6 the Maximum Contribution;
- 4.4.7 any maximum number of Shares over which Options may be granted on this occasion;
- 4.4.8 that applications will be scaled down in accordance with rule 7 (Scaling down) if necessary;
- 4.4.9 where applicable under rule 6.2 (Bonus decision), that any bonus will not be included for the purposes of calculating the Expected Repayment and therefore the number of Shares subject to the Option; and
- 4.4.10 that the invitation is subject to the provisions of this Plan, the terms of the relevant Savings Contract and the SAYE Code.

4.5 Option Price

The Option Price must:

- 4.5.1 not be manifestly less than 80 per cent of the Market Value per Share; and
- 4.5.2 be at least the nominal value of a Share, if the Option may be satisfied with newly issued Shares,

as measured on the Invitation Date or, if the Committee decides, the Grant Date.

When calculating the Option Price, any date used to determine Market Value must be a date when invitations could be issued under rule 4.3 (Timing of invitation).

4.6 Deadline for applications

The Committee will specify the deadline for receiving applications for Options, which must be a minimum of 14 days after the Invitation Date.

4.7 Length of the Savings Contract

Each Eligible Employee can choose a 3 year or 5 year Savings Contract (or any other standard periods available for Savings Contracts from time to time), unless the Committee decides otherwise.

4.8 Minimum permitted Contribution

The minimum permitted Contribution will be £5, unless the Committee decides a different amount (as permitted by Schedule 3).

4.9 Maximum Contribution

The Maximum Contribution will be an amount decided by the Committee. The Maximum Contribution must not exceed £500 (or such other amount specified in Schedule 3).

4.10 Impact of cancellation on Maximum Contribution

Where a Savings Contract is cancelled by a Participant before the Bonus Date, the level of Contributions that Participant was making under that Savings Contract will still count towards the Participant's Maximum Contribution for the purposes of any future Savings Contracts until that Bonus Date has passed, unless the Committee decides otherwise.

4.11 Invitation to enter into a Savings Contract

An invitation to apply for an Option must be accompanied by an invitation to enter into a Savings Contract.

5. Applications for Options

5.1 Requirements of an application

The application must:

5.1.1 state:

- (i) the proposed Contribution the Eligible Employee wishes to make; and
- (ii) the chosen length of the Savings Contract, where a choice is offered;

5.1.2 require an Eligible Employee to confirm that the proposed Contribution will not exceed:

- (i) £500 (or such other amount as may be specified in Schedule 3) when added to any contributions the Eligible Employee makes under any other Savings Arrangements; and
- (ii) if lower than 5.1.2(i), the Maximum Contribution;

5.1.3 require an Eligible Employee to authorise:

- (i) the Eligible Employee's employing company to deduct the Contributions from the Eligible Employee's pay and to transfer those deductions to the Savings Contract provider; and
- (ii) scaling down, where necessary;

5.1.4 require an Eligible Employee to agree to be bound by the provisions of the Plan, the terms of the Savings Contract and the SAYE Code; and

5.1.5 include or be accompanied by a completed application for a Savings Contract.

5.2 Modification of application

If an application for a Savings Contract specifies a Contribution that exceeds any amount in rule 5.1.2, the application will be deemed to have been made in such a way that the relevant maximum will not be exceeded.

6. Expected Repayments

6.1 Meaning of Expected Repayment

The Expected Repayment is the total of:

- 6.1.1 the aggregate of all the Eligible Employee's Contributions over the Savings Contract and any interest payable under the Savings Contract; and
- 6.1.2 any bonus payable to the Eligible Employee under the Savings Contract, unless the Committee decides otherwise under rule 6.2 (Bonus decision).

6.2 Bonus decision

Unless the Committee has decided otherwise on or prior to the Grant Date, the Expected Repayment will include the maximum bonus payable under the Savings Contract.

6.3 Number of Shares

Each Eligible Employee's application will be for an Option over the largest whole number of Shares that the Eligible Employee could acquire at the Option Price using the Expected Repayment. The Expected Repayment must, as nearly as possible, equal the total Option Price payable if the Option was exercised in full.

7. Scaling down

7.1 When scaling down may be applied

If applications are received for more Shares than specified in the invitation, then the Committee has discretion to decide to grant Options over the full number of Shares in respect of which applications were received or to scale down applications. However, the Committee will scale down applications if Options would otherwise be granted in excess of the Share limit specified in rule 9 (Share dilution limit).

7.2 Method of scaling down

The Committee will scale down applications by applying any steps that are acceptable to HMRC.

Where the Committee scales down applications, each application will be deemed to have been modified or withdrawn accordingly, and the Expected Repayment will be adjusted accordingly.

8. Granting Options

8.1 Grant to all Eligible Employees

Where Options are to be granted, the Committee will grant an Option to every Eligible Employee whose valid application has been received by or on behalf of the Company, subject to rule 7 (Scaling down).

8.2 Grant only to employees and directors

An Option cannot be granted to a person who is not an employee or director of a Participating Company on the Grant Date. Any attempt to do so will be ineffective.

8.3 Similar terms

Where Options are granted under the Plan, all Eligible Employees who participate in the Plan must do so on similar terms.

8.4 Price and number

Options will be granted:

8.4.1 at the Option Price; and

8.4.2 over the number of Shares calculated under rule 6.3 (Number of Shares), after any adjustments for scaling down.

8.5 Manner of grant

Options will be granted by the Company in any way that ensures they are contractually enforceable.

8.6 Timing of grant

Where required by HMRC's guidance, the Grant Date must be:

8.6.1 within 30 days following the earliest date used in the calculation of Market Value when setting the Option Price; or

8.6.2 within 42 days of this date if scaling down is applied.

8.7 Terms specified at grant

8.7.1 At the Grant Date, the Committee will specify:

8.7.2 the number of Shares subject to each Option;

8.7.3 the Option Price; and

8.7.4 whether or not the Shares subject to the Options may be subject to a Restriction and, if so, details of that Restriction.

8.8 Notification to Participants

The Committee will notify Participants of the grant of Options as soon as practicable.

8.9 No payment

A Participant is not required to pay for the grant of an Option.

8.10 Administrative errors

If the Committee grants an Option which is inconsistent with any provisions in this Plan, it will take effect only to the extent permissible under the Plan.

9. Share dilution limit

9.1 Share limit

An Option may not be granted that would cause the total number of Shares that have been Allocated in the previous 10 years (or could still be Allocated by virtue of rights granted) under the Plan and under any other employee share plans operated by any Member of the Group to exceed 10% of the ordinary share capital of the Company in issue.

9.2 Calculating the number of Shares

For the purposes of this rule 9 (Share dilution limit):

- 9.2.1 Shares are considered to be "**Allocated**" when allotted and issued as new shares, or transferred from treasury. However, if relevant institutional investor guidelines cease to require treasury shares to be taken into account for these purposes, then treasury Shares will not count towards this Share limit; and
- 9.2.2 where there has been a variation in the share capital of the Company as described in rule 16.1 (Adjustment of Options), the number of Shares taken into account for the purposes of the Share limit will be adjusted as the Committee considers appropriate to take account of the variation.

10. Exercise of Options

10.1 Becoming exercisable

An Option will become exercisable from the Bonus Date of the Savings Contract. An Option will not be exercisable before the Bonus Date, except in accordance with rules 13 (Leaving) or 14 (Takeovers and restructurings).

10.2 Exercise period

An Option will lapse 6 months after the Bonus Date, subject only to rule 13.4 (Death).

10.3 Employment requirement

An Option can only be exercised when the Participant is an employee or director of a Participating Company, except where the Option is exercisable under rule 13 (Leaving).

10.4 US taxpayers

A Participant who is subject to tax in the United States of America may not exercise an Option after the 15th day of the third month following the end of the Taxable Year in which the Option first becomes exercisable. The Option will lapse at the end of this period.

For these purposes, "**Taxable Year**" means the calendar year or, if it ends later than the relevant calendar year, the 12 month period for which the company that employs the Participant is obliged to pay tax.

10.5 Process for exercise

A Participant may exercise an Option by giving notice in the manner decided by the Committee. The notice must:

- 10.5.1 specify the number of Shares in respect of which the Option is being exercised; and
- 10.5.2 either be accompanied by:
 - (i) payment of the aggregate Option Price; or
 - (ii) a direction to the Savings Contract provider to pay the aggregate Option Price.

The exercise of the Option is effective on the date of receipt of the notice and the payment or direction.

10.6 Whole or part exercise

An Option may be exercised in whole or in part but may not be exercised on more than one occasion (and where an Option is exercised in part, the remainder of the Option will immediately lapse), unless the Committee decides otherwise.

10.7 Payment limited to savings

A Participant may only exercise an Option over the number of whole Shares that can be purchased with the total Contributions actually made, and any interest and bonus paid under the Savings Contract.

11. Lapsing

11.1 Effect of stopping Contributions

Unless an Option is already capable of exercise, it will lapse when a Participant gives or is deemed to give notice under the relevant Savings Contract that the Participant intends to permanently stop paying Contributions.

11.2 Extent of lapsing

To the extent an Option lapses, it cannot be exercised under any provision of the Plan. To the extent the Option lapses, the Participant has no right to receive the Shares comprised in the Option.

12. Settlement of Options

12.1 Delivery of Shares

If an Option is exercised, the Committee will arrange for the delivery of Shares to the Participant as soon as practicable after exercise.

12.2 Nominee

Shares may be delivered to and held by a nominee on behalf of the Participant.

12.3 Dealing Restrictions

If delivering or arranging delivery of Shares would be prohibited by Dealing Restrictions, delivery will not occur until after the Dealing Restrictions cease to apply.

12.4 Shareholder rights

Shares issued in connection with the Plan will rank equally in all respects with the Shares in issue on that date.

Participants will only be entitled to rights attaching to Shares from the date of the allotment or transfer to them.

12.5 Share transfer tax

The Committee will arrange payment of any share transfer taxes on settlement, unless the Committee determines that Participants will cover them.

13. Leaving

13.1 Meaning of “Leaving”

For the purposes of this rule 13 (Leaving), “**Leaving**” means:

13.1.1 the Participant ceasing to hold office or employment with a Participating Company; or

13.1.2 if the Participant's office or employment with a Participating Company terminates but the Participant continues to hold an office or employment with the Company or any associated company (within the meaning of paragraph 35(4) of Schedule 3), ceasing to hold any office or employment with the Company or any such associated company,

and "Leave" will be interpreted accordingly.

13.2 Leaving – general

A Participant's Option will lapse on the date the Participant Leaves, unless other provisions of this rule 13 (Leaving) apply.

13.3 Good leavers

If a Participant Leaves for one of the following reasons:

- (i) injury or disability;
- (ii) redundancy within the meaning of the Employment Rights Act 1996;
- (iii) a relevant transfer within the meaning of the Transfer of Undertakings (Protection of Employment) Regulations 2006;
- (iv) retirement in accordance with normal retirement policies;
- (v) if the Participant holds office or is employed in a company which is an associated company of the Company (within the meaning of paragraph 35(4) of Schedule 3), that company ceasing to be an associated company of the Company by reason of a change of control (within the meaning of sections 450 and 451 of the Corporation Tax Act 2010); or
- (vi) the business or part of the business in which the Participant works being transferred to a person who is not an associated company of the Company (within the meaning of paragraph 47 of Schedule 3) where the transfer is not a relevant transfer (within the meaning of the Transfer of Undertakings (Protection of Employment) Regulations 2006),

the Participant may exercise the Option for a period of 6 months from Leaving. The Option will then lapse.

13.4 Death

If a Participant dies before exercising an Option, the Participant's Option may be exercised at any time on or after the date of death, but not later than 12 months after:

13.4.1 the date of death, if the Participant dies before the Bonus Date; or

13.4.2 the Bonus Date, if the Participant dies on or within 6 months after the Bonus Date.

The Option will then lapse.

This rule 13.4 (Death) applies notwithstanding any other provision of the Plan.

13.5 Employment with an associated company

If a Participant is, on the Bonus Date, an employee or director of a company which is:

13.5.1 an associated company of the Company (within the meaning of paragraph 47 of Schedule 3);
but

13.5.2 not a Participating Company,

the Participant may exercise the Option for a period of 6 months after the Bonus Date. The Option will then lapse.

13.6 Leaving after the Bonus Date

If a Participant Leaves after the Bonus Date for a reason other than death, the Participant's Option may be exercised until 6 months after the Bonus Date.

13.7 No extension

None of the periods for exercise set out in this rule 13 (Leaving) will allow an Option to be exercised more than 6 months after the Bonus Date, except where this is permissible under rule 13.4 (Death).

14. Takeovers and restructurings

14.1 Meaning of "Corporate Events Rule"

For the purposes of this rule 14 (Takeovers and restructurings) and rule 15 (Exchange of Options):

- 14.1.1 a **"Corporate Event Rule"** means one of rules 14.2 (General offers), 14.3 (Bound or entitled) or 14.4 (Schemes of arrangement);
- 14.1.2 **"Issued Ordinary Shares"** means the whole of the issued ordinary share capital of the Company; and
- 14.1.3 **"Sharesave Class Shares"** means all of the shares in the Company, which are of the same class as the Shares.

14.2 General offers

Where a person obtains Control of the Company as a result of making a general offer:

- 14.2.1 to acquire the Issued Ordinary Shares, that is made on a condition such that, if it is satisfied, the person making the offer will have Control of the Company; or
- 14.2.2 to acquire the Sharesave Class Shares,

Options can be exercised within 6 months after the person has obtained Control and any condition subject to which the offer is made has been satisfied. The Options will then lapse.

For these purposes it does not matter if the general offer is made to different shareholders by different means and any shares already held by the person making the offer (or a person connected with that person) are not taken into account.

14.3 Bound or entitled

Options become exercisable where a person becomes bound or entitled to acquire shares in the Company under sections 979 to 982 or 983 to 985 of the Companies Act 2006, and can be exercised at any time when that person is so bound or entitled. Options will lapse when that person ceases to be so bound or entitled.

14.4 Schemes of arrangement

When a court sanctions a compromise or arrangement under section 899 of the Companies Act 2006, applicable to or affecting:

- 14.4.1 the Issued Ordinary Shares or the Sharesave Class Shares; or

- 14.4.2 all the shares, or all the shares of that same class, which are held by a class of shareholders identified otherwise than by reference to their employment or directorships or their participation in a Schedule 3 SAYE Option Scheme,

Options can be exercised within 6 months after the date the court sanctions the compromise or arrangement. Options will then lapse.

14.5 Winding up

If a resolution is passed for the voluntary winding up of the Company, Options can be exercised within 6 months after the date the Company passes the resolution. Options will then lapse.

14.6 Conditional exercise – 20 days before

Where the Committee reasonably expects a Corporate Event Rule will apply, the Committee may make arrangements permitting Options to be exercised during the period of 20 days ending with the date the Options would otherwise become exercisable under the Corporate Events Rule. Where exercised, the Options will be treated as having been exercised under the Corporate Event Rule.

If an Option is exercised under this rule 14.6 (Conditional exercise – 20 days before) in anticipation of a Corporate Events Rule applying but:

- 14.6.1 the relevant event provided for in rules 14.2 (General offers) or 14.4 (Schemes of arrangement) does not occur; or
- 14.6.2 the person does not become bound or entitled to acquire shares in the Company as envisaged by rule 14.3 (Bound or entitled),

by the end of the period of 20 days beginning with the date the Option is exercised, the exercise is treated as having no effect.

14.7 Alternative exercise period – 20 days after

Options may be exercised no later than 20 days after a person obtains Control of the Company by virtue of a Corporate Event Rule, if the shares subject to the Options no longer meet the requirements of Part 4 of Schedule 3 as a consequence of that change of Control.

This rule 14.7 (Alternative exercise period – 20 days after) does not allow exercise outside the permissible period under the applicable Corporate Events Rule.

14.8 Persons acting in concert

For the purposes of this rule 14 (Takeovers and restructurings), a person will be treated as obtaining Control of the Company if that person and others acting in concert together obtain Control of it.

14.9 No extension

None of the periods for exercise set out in this rule 14 (Takeovers and restructurings) will allow an Option to be exercised more than 6 months after the Bonus Date.

15. Exchange of Options

15.1 Application of rule

A Participant may exchange an Option for a new option where:

- 15.1.1 an acquiring company:

- (i) obtains Control of the Company in accordance with the provisions of rule 14.2 (General offers) or as a result of a compromise or arrangement under rule 14.4 (Schemes of arrangement); or
 - (ii) becomes bound or entitled to acquire shares in the Company as envisaged by rule 14.3 (Bound or entitled); and
- 15.1.2 the Participant has agreed with the acquiring company that the Participant will exchange the Option for a new option; and
- 15.1.3 the agreement between the Participant and the acquiring company is made at a time when Options would otherwise be exercisable under the relevant Corporate Event Rule.

15.2 New options

A new option must:

- 15.2.1 be over shares in a company which is not the Company but is the acquiring company, or another company that owns the Company as envisaged by paragraph 39(2)(b) of Schedule 3;
- 15.2.2 relate to shares that meet the conditions in paragraphs 18 to 22 of Schedule 3;
- 15.2.3 be exercisable in the same manner as the Option;
- 15.2.4 relate to a number of shares that has, immediately after grant of the new option, a total market value that is substantially the same as the total market value of the Shares subject to the Option immediately before the exchange;
- 15.2.5 have an exercise price per share such that the total amount payable by the Participant to exercise the new option in full is substantially the same as the total Option Price payable by the Participant to exercise the Option in full; and
- 15.2.6 be on terms otherwise identical to the terms of the Option immediately before the exchange.

For these purposes, the market value will be determined as if shares were not subject to any Restrictions and using a methodology agreed by HMRC.

15.3 Interpretation following exchange

The new option will be subject to the Plan as it had effect immediately before the exchange and the Plan will be interpreted so that:

- 15.3.1 references to Shares are references to the shares subject to the new option (and references to the Company are interpreted accordingly, except where references to the Company relate to the Company that established the Plan); and
- 15.3.2 the new option will be treated as having been granted at the same time as the Option that the new option replaced.

15.4 No trigger of exercise

An event causing the grant of new options under this rule 15 (Exchange of Options) will not also trigger the exercise of the new options.

16. Variations in share capital

16.1 Adjustment of Options

If there is a variation in the share capital of the Company (of which the Shares form part), the Committee may adjust:

16.1.1 the number and/or description of Shares comprised in each Option; and/or

16.1.2 the Option Price,

so far as the Committee considers, in its reasonable opinion, necessary to take account of the variation. Any adjustment must satisfy the requirements of rules 16.2 (Requirements for adjustments).

16.2 Requirements for adjustments

Any adjustment to an Option must meet the following requirements:

16.2.1 the total market value of the Shares subject to the Option immediately after the adjustment must be substantially the same as the total market value of the Shares subject to the Option immediately before the adjustment;

16.2.2 the total Option Price immediately after the adjustment must be substantially the same as the total Option Price immediately before the adjustment; and

16.2.3 where the Option will be satisfied using newly issued Shares, any adjusted Option Price must not be less than the nominal value of a Share, unless the Committee resolves to capitalise an amount equal to the difference between the adjusted Option Price and that nominal value.

Any adjustment to an Option must not result in the requirements of Schedule 3 not being met in relation to the Option.

For these purposes, market value will be determined as if shares were not subject to any Restrictions and using a methodology agreed by HMRC.

16.3 Notice to Participants

The Committee will notify affected Participants of any adjustment made under this rule 16 (Variations in share capital).

17. Tax

Any Member of the Group, any employing company, the trustee of any relevant employee benefit trust or any third-party provider nominated by the Committee may make withholding arrangements to meet any liability to Tax.

A withholding entity may make any withholding arrangements that it considers necessary or desirable, including making deductions from any cash payment owed to the Participant.

Withholding arrangements may include the sale on behalf of the Participant of some or all of the Shares to which the Participant is entitled under the Plan.

For these purposes, “**Tax**” means any tax and social security charges (and/or any similar charges), wherever arising, in respect of a Participant’s Option or otherwise arising in connection with that Participant’s participation in the Plan.

18. Terms of employment

18.1 Application

This rule 18 (Terms of employment) applies during an Employee's employment and after the termination of an Employee's employment, whether or not the termination is lawful.

18.2 Not part of employment contract

Nothing in the rules of the Plan or the operation of the Plan forms part of an Employee's contract of employment or alters it. The rights and obligations arising from the employment or former employment relationship between the Employee and the relevant Member of the Group are separate from, and are not affected by, the Plan. Participation in the Plan does not create any right to, or expectation of, employment (continued or otherwise).

18.3 No future expectation

Participation in the Plan or the grant of Options on a particular basis in any year does not create any right to or expectation of participation in the Plan or the grant of Options on the same, or any other, basis (or at all) in the future.

18.4 Decisions and discretion

The terms of the Plan do not entitle the Employee to the exercise of any discretion in the Employee's favour.

18.5 No compensation

No Employee has any right to compensation or damages for any loss (actual or potential) in relation to:

- 18.5.1 any loss or reduction of rights or expectations under the Plan in any circumstances (including lawful or unlawful termination of employment);
- 18.5.2 any exercise of a discretion or a decision taken in relation to an Option or to the Plan, or any failure or delay to exercise a discretion or take a decision; and
- 18.5.3 the operation, suspension, termination or amendment of the Plan.

19. General

19.1 Data protection

Participation in the Plan will be subject to:

- 19.1.1 any data protection policies applicable to any relevant Member of the Group; and
- 19.1.2 any applicable privacy notices.

19.2 Consents and filings

All allotments, issues and transfers of Shares will be subject to the Company's articles of association and any necessary consents or filings required in any relevant jurisdiction. The Participant will be responsible for complying with any requirements needed in order to obtain, or to avoid the necessity for, any such consents or filings.

19.3 Source of Shares

Options may be settled using newly issued Shares, Shares transferred from treasury and Shares purchased in the market.

19.4 Listing

If, and as long as, the Shares are listed on the London Stock Exchange, the Company will apply as soon as practicable for the listing and admission to trading of any Shares issued in connection with the Plan.

19.5 Notices

Any notice or other communication required under this Plan will be given in writing, which may include electronic means.

Any notice or other communication to be given to an Employee or Participant may be delivered by electronic means (including by email, through the Group's intranet or a share plan portal), personally delivered or sent by ordinary post to the address that the Committee reasonably considers appropriate.

Any notice or other communication to be given to the Company or its agents may be delivered or sent to its registered office or any other place and by any means that the Committee or the Company's agents may specify and notify to Employees and/or Participants, as relevant.

Notices or other communications:

- 19.5.1 sent electronically will be deemed to have been received immediately (if sent during usual business hours) or at the opening of business on the next Business Day (if sent outside usual business hours);
- 19.5.2 that are personally delivered will be deemed to have been received when left at the relevant address (if left during usual business hours) or at the opening of business on the next Business Day (if left outside usual business hours); and
- 19.5.3 sent by post will be deemed to have been received 24 hours after posting to a UK address or 3 days after posting to an address outside the UK,

unless there is evidence to the contrary.

19.6 Third party rights

Except as otherwise expressly stated to the contrary, nothing in the Plan confers any benefit, right or expectation on any person other than an Employee, Participant or Member of the Group. No third party has any rights under the Contracts (Rights of Third Parties) Act 1999 (or any similar legislation in an overseas jurisdiction) to enforce any rule of this Plan.

19.7 Bankruptcy

A Participant's Option will lapse if the Participant becomes bankrupt.

19.8 Not pensionable

None of the benefits that may be received under the Plan are pensionable.

19.9 Not transferable

A Participant must not transfer, assign, charge or otherwise dispose of an Option or any rights in respect of it. If the Participant does, whether voluntarily or involuntarily, the Option will immediately lapse.

This rule 19.9 (Not transferable) does not prevent the transmission of an Option to a Participant's personal representatives on death.

20. Administration

20.1 Administration of the Plan

The Plan will be administered by the Committee, which has authority to make any rules and regulations for the administration of the Plan that it considers necessary or desirable. The Committee may delegate any and all of its rights and powers under the Plan.

20.2 Committee decisions

All decisions of the Committee in connection with the Plan and its interpretation and the terms of any Options (including in any dispute) will be final and conclusive.

The Committee will decide whether and how to exercise any discretion in the Plan. When making any decisions, the Committee will act fairly and reasonably.

20.3 Dealing Restrictions

Each person will have regard to Dealing Restrictions when operating, interpreting, administering, participating in and/or taking any other action in relation to the Plan.

21. Changing the Plan and termination

21.1 General power

The Committee may change the Plan in any way and at any time.

21.2 Change to a Key Feature

Whilst the Plan is intended to be a Schedule 3 SAYE Option Scheme, no change may be made to a Key Feature if the requirements of Schedule 3 would cease to be met.

For these purposes, a “**Key Feature**” means a provision of the Plan that is necessary in order for the requirements of Parts 2 to 7 of Schedule 3 to be met in relation to the Plan.

21.3 Shareholder approval

The Committee will obtain prior approval of shareholders by ordinary resolution for any change to the Plan which is to the advantage of present or future Participants and which relates to any of the following:

- 21.3.1 the persons who may receive Shares under the Plan;
- 21.3.2 the total number or amount of Shares which may be delivered under the Plan;
- 21.3.3 the maximum entitlement for any Participant;
- 21.3.4 the basis for determining a Participant’s entitlement to, and the terms of, Shares provided under the Plan and the rights of a Participant in the event of a capitalisation issue, rights issue or open offer, sub-division or consolidation of shares or reduction of capital or any other variation of capital of the Company; and
- 21.3.5 this rule 21.3 (Shareholder approval).

21.4 Shareholder approval – exceptions

The Committee need not obtain shareholder approval for any changes to the Plan which are:

- 21.4.1 necessary to ensure the Plan complies with the SAYE Code; and/or
- 21.4.2 minor and to:

- (i) benefit the administration of the Plan;
- (ii) comply with or take account of a change in legislation; and/or
- (iii) obtain or maintain favourable tax, exchange control or regulatory treatment of any Member of the Group or any present or future Participant.

21.5 Participant consent

If a proposed change would be to the disadvantage of one or more Participants in respect of existing rights under the Plan, then the Committee must obtain the written consent of the affected Participant(s).

21.6 Participant consent – exceptions

The Committee need not obtain Participant consent for any changes which are:

21.6.1 necessary to ensure the Plan complies with the SAYE Code; and/or

21.6.2 minor and to:

- (i) benefit the administration of the Plan;
- (ii) comply with or take account of a change in legislation; and/or
- (iii) obtain or maintain favourable tax, exchange control or regulatory treatment of any Member of the Group or any present or future Participant.

21.7 International variations

The Committee may establish plans or schedules based on the Plan, but modified to take account of any local tax, exchange control or securities laws in other jurisdictions, provided that:

21.7.1 those plans or schedules are subject to rule 9 (Share dilution limit); and

21.7.2 no individual will be entitled to more Shares under an overseas plan or schedule than the maximum entitlement for Options under the Plan.

21.8 Termination of the Plan

The Plan will terminate on [13] May 2031 (or on such earlier date as the Committee decides). Termination will not affect existing rights under the Plan.

22. Governing law and jurisdiction

The laws of England and Wales govern the Plan and all Options. The courts of England and Wales have exclusive jurisdiction in respect of any disputes arising in connection with the Plan or any Option.
