Rolls-Royce plc

Moor Lane, Derby, DE24 8BJ, United Kingdom

This is a multi-site certificate, additional site(s) are listed on the next page(s)

Bureau Veritas Certification Holding SAS - UK Branch certifies that the Management System of the above organisation has been audited and found to be in accordance with the requirements of the management system standards detailed below

ISO 9001:2015

Scope of certification

Sale, design, manufacture, sub-contract manufacture, testing, repair, overhaul, and in-service support for gas turbine systems and power electrical automation and control equipment for surface and sub-surface applications with high integrity safety critical systems.

Program execution, design, manufacturing oversight, and technical support of naval gas turbine module products.

Design, manufacture, service and overhaul of marine propulsion and control systems. Design and manufacture of marine power generator systems. Design, manufacture and overhaul of propeller foundry products.

Design, production and servicing of engineered solutions for marine handling systems for the defence, marine and power generation markets, including winches, over boarding groups and related equipment for cables.

Provision and through-life support of integrated, high integrity mechanical, electrical and electronic products and systems and associated documentation for naval and civil nuclear and civil radioactive and conventional applications.

Design, development, manufacture, service and support of high-performance power generation, distribution and conversion systems.

Original cycle start date:	09-03-1994
Expiry date of previous cycle:	NA
Certification / Recertification Audit date:	NA
Certification / Recertification cycle start date:	18-12-2023
Subject to the continued satisfactory operation of the organisation's Management System, this certificate expires on:	17-12-2026

Certificate No.: **UK013687**

Version: 1

Issue date: 13-12-2023
